WHY THIS SEASON IS DIFFERENT

This isn't another tournament. It's a season.

Most basketball tournaments begin and end in a single weekend. The AGAME Fall/Winter Circuit was built to be something more. Across three regular-season sessions, programs compete in meaningful games that contribute to official circuit standings, rankings, and championship seeding. Every weekend becomes another chapter in your team's story, rewarding consistency, development, and competition over time.

Every possession matters.

Every game has purpose.

Every weekend moves you one step closer to Atlantic City.

Championships shouldn't be handed out. They should be earned.

Built for programs that want more. Whether you're an established national program or an emerging organization ready to prove yourself, the AGAME Circuit creates opportunities to compete against some of the strongest organizations in the region.

Programs representing every level of grassroots basketball — including teams from Nike EYBL, Jr. EYBL, Under Armour, Puma, New Balance, and elite independent organizations — are invited to compete on the same stage.

Participation varies by event. Brand references describe organizations that may participate and are not affiliated with or endorsed by AGAME Hoops.

THE SCHEDULE

The Road To **The Crown**

BEYOND THE GAMES

Season Recognition

The Circuit doesn't just crown a champion — it recognizes performance all season long. Here's how players and programs get spotlighted along the way.

01

ALL-CIRCUIT TEAMS

Top performers across the season recognized with All-Circuit honors by grade.

02

CIRCUIT MVP

One standout player per division recognized as the season's Most Valuable Player.

03

PROGRAM CUP

Season-long points award recognizing the most consistent, complete program in the Circuit.

04

WEEKLY RANKINGS

Rankings update after every session so teams always know where they stand.

05

SESSION AWARDS

Standout performances recognized at every stop on the Road to the Crown — not just at Championship Weekend.
